THE WALK

We'll cover around 8 miles (13 km) over the day, following paths across farmland, valleys, riversides, woodland, moorland, hills and fells in the beautiful Yorkshire Dales, with some rough, uneven and wet ground in places. Some of the paths may be steep in places and slippery underfoot. We may head off paths across Open Country, which will be rough underfoot (moorland). Please note that limestone is slippery when wet, and we may experience adverse weather conditions whilst outdoors.

WHAT TO WEAR & BRING WITH YOU

What to wear

It is important to wear a 'layering system' of clothing as follows:

- Base layer - long-sleeved T-shirt
- Mid layer - fleece
- Outer shell - waterproof/breathable coat and over-trousers
- Walking boots - waterproof with good ankle support and sturdy soles
- *plus* walking trousers

Wear clothing that is made from synthetic fibres, which are quick drying and help 'wick' moisture away from your skin. Do NOT wear cotton (especially jeans) as cotton soaks up moisture.

What to bring

- Warm hat, waterproof gloves and spare fleece
- Water bottle (2 litres) and flask of hot drink (optional)
- Packed lunch and high energy snack food (dried fruit, nuts, muesli bars, chocolate bars etc)
- Medications (if applicable)
- Rucksack (to carry all of this in!)

Please note: Please provide your own walking boots, with sturdy cleated soles and ankle support.
