INTRODUCTION

TeamWalking offers walking activities in the valleys, hills and mountains of the British Isles. TeamWalking is owned and operated by Mark Reid, and is a 'sole trader' business. Mark Reid established TeamWalking in 2007.

This Operating Procedures document provides guidelines for TeamWalking (Mark Reid) and his Freelance Mountain Leaders (Leaders) to operate within.

It is designed to provide a framework of good practice, safety policies and operational procedures to reduce risk and increase enjoyment and quality of experience for Leaders and participants. This document is neither exclusive nor exhaustive and therefore does not cover every eventuality.

TeamWalking activities involve valley, hill and mountain walking in the British Isles, and therefore fall within the remit of the MLTE summer Mountain Leader Award (ML), which Mark Reid holds (Candidate Number: 136445).

Mark Reid strongly believes in Continuous Personal Development:

- Mark Reid logs all of his Quality Hill/Mountain Walks in his Mountain Training Logbook
- TeamWalking is an approved course provider of the National Navigation Award Scheme
- TeamWalking is an approved course provider of Mountain Training's Hill & Mountain Skills scheme
- Mark Reid is a member of the Mountain Training Association and British Mountaineering Council.
- Mark Reid regularly works with other Mountain Leaders and shares/discusses Good Practice.
- Mark Reid is an Outdoor Professional, and runs around 90 outdoor courses, walks and activities each year, and walks over 2,000 miles a year.

Technical Advisors

Mark Reid is the 'day to day' technical advisor with regards to valley, hill and mountain walking, as they fall within his area of expertise and within the remit of his ML Award.

As from 2015, TeamWalking has appointed John Proctor as their technical advisor. John holds the Mountaineering Instructor Award MIA (Candidate Number: 15923). John Proctor has checked through my Operating Procedures and Risk Assessments in February 2015, March 2019 and January 2023.

These Operating Procedures relate to TeamWalking's valley, hill and mountain walks and activities that fall within the remit of the Mountain Leader (summer) Award.

If TeamWalking offer activities beyond the scope and remit of the summer Mountain Leader award then TeamWalking will employ the services of a suitably qualified instructor to lead the activity and act as technical adviser, for example Winter Mountain Walking. When this occurs, Mark Reid will ensure he obtains a copy of their National Governing Body (NGB) Award, Insurance, First Aid Certificate and Risk Assessment, to be kept on file for 3 years. He will also send them a copy of TeamWalking's Operating Procedures and Risk Assessments so that they are fully aware of our operating frameworks and safety policies.

To ensure a high level of safety, Mark Reid continually reviews the range of activities he offers, and also his procedures.

Any suggestions or comments that may improve the contents of this document would be gratefully received.

ACTIVITY SAFETY POLICY

Mark Reid (TeamWalking) is a qualified Walking Group Leader (WGL), Hill & Moorland Leader (HML) and summer Mountain Leader (ML). Since 1997, he has walked over 26,000 miles of footpaths (as of January 2023) as part of his professional experience as a guidebook writer, newspaper and magazine columnist and, since 2007, outdoor walking leader. He has also guided over 15,000 people outdoors since 2007 (as of October 2022). His guided valley, hill and mountain walks are designed to be enjoyable, informative and a positive experience for all who take part. Safety is paramount, and whilst we cannot eliminate risk of injury or accident, all activities are carried out in a manner to reduce the risk of injury or accident as much as possible to both freelance leaders working on behalf of TeamWalking and participants, whilst balancing the risk of harm with the potential benefit of the chosen activity. **TeamWalking website and Consent Forms state that:** *“Part of the attraction of valley, hill and mountain walking is the challenge of tackling different terrains, landscapes and weather conditions. Every effort is made to minimise potential hazards; however, the very nature of hill and mountain walking involves a certain level of unavoidable risk of accident and/or injury. By taking part in this activity, you are aware of and accept these risks.”*

MOUNTAIN LEADERS (also known as Walk Leaders)

Mark Reid and all Freelance Leaders hold the relevant National Governing Body (NGB) Award for the activity they are providing. With regards to hill and mountain walking, this is the summer Mountain Leader award (ML) as a minimum. All Freelance Instructors must operate within the remit of their NGB Award(s).

All Freelance Leaders are known by Mark Reid and are inducted with regards to TeamWalking's Operating Procedures and Risk Assessments.

When Freelance Leaders are working on behalf of Mark Reid and TeamWalking they are representing TeamWalking and so must act and behave in a professional manner at all times, with prompt time-keeping and acceptable language.

All Mountain Leaders are fully responsible for the participants in their group at all times during the activity.

Fees are agreed with the Freelance Leaders for each activity depending on numbers and the nature of the activity. All fees are gross; the Freelance Leaders are responsible for the declaration of this income for taxation and the payment of any subsequent tax demands (*See Freelance Self Employed Contract email*).

It is a requirement that all Mountain Leaders have sufficient liability insurance cover for the activity they are providing, as well as up-to-date First Aid certificate. A copy of the following documents are kept on file:

- Freelance Leaders' NGB Award
- Current First Aid certificate (16 hours)
- Liability Insurance (kept on file for at least 3 years)

All Leaders are fully briefed on any relevant safety issues prior to commencing the activity. They are sent a copy of:

- Risk Assessment (generic and walk specific)
- Emergency Procedures & Incident Management
- Safety Activity Briefing Sheet & Kit List
- Activity Details - Route Plan, weather forecast and overview of the activity (timings, facilities etc)

PARTICIPANTS

- All Participants must pre-book, and TeamWalking must ensure that they have contact details for all participants, as often people book additional places for family and friends.
- All Participants are fully briefed about the type of activity they will be undertaking. Information is provided on the TeamWalking website, Consent Forms and also emails sent to the Participants prior to the activity (this email contains either a Route Plan or overview of the walk including information about terrain, ascents, weather conditions, distance and timings).
- Mark Reid and/or the Freelance Leaders reserve the right to refuse to take a participant whom they consider will be unable to complete the planned activity or is wearing unsuitable clothing.
- All Participants must complete and sign a Consent Form, which includes details of what to wear/bring, fitness and medical information. The contract between TeamWalking and the Participant is formed once payment has been received and we have sent the Participant a confirmation email and Consent Form by email or post; once this has happened then they are bound by our Terms and Conditions. Any areas of concern and/or pre-existing medical conditions are always followed up.

STATEMENT REGARDING MEDICAL CONDITIONS / DISABILITIES

- The natural environment can be demanding at times, with uneven ground, rough/wet terrain, slopes, stiles, rock steps, natural obstacles, inclement weather (wet, cold, heat, wind, mist etc), mountainous terrain etc, and so a certain level of fitness and mobility is required to take part in valley, hill or mountain walking, depending upon the activity. For example, a reasonable level of fitness and mobility is required for our Map Reading courses, whereas a good level of fitness, mobility and stamina is required for our mountain or challenge walks.
- Reasonable steps will always be taken to accommodate people with medical conditions and/or disabilities who wish to take part; however, this must be balanced with a realistic judgement of the suitability of the activity with regards to their medical condition(s) and/or disability, with particular consideration given to the natural landscape, terrain, weather etc along with their objectives. Not all walks will be accessible to everyone; for example mountain walks or wild camping trips.
- We ask all participants to disclose on their Consent Forms any pre-existing medical conditions, disabilities, allergies or special requirements that may affect their participation in the activity. We follow-up any medical condition and/or disability which gives us cause for concern (e.g. heart conditions, recent surgery etc) to ask for further information and to ensure the person is fully aware of the type of activity they have chosen to take part in. We then ask them to specifically confirm their fitness and that they fully consent to take part in the activity. If we feel that a pre-existing medical condition and/or disability may make it unsafe for them to take part in the activity, then we may ask for them to seek advice and reassurance from their GP or medical specialist.
- Disclosed medical conditions and/or disabilities are discussed (if appropriate) with the person to determine what reasonable steps may be taken to accommodate their needs, and to plan a walk that will fulfil their objectives as much as possible. The 'reasonable steps' will be determined on an individual basis.
- Medical Conditions and Disabilities may include physical disabilities, such as sight, hearing, joints (e.g. knee and back injuries/disabilities are quite common); fears and phobias (such as fear of heights, open spaces etc); mental health illness (such as anxiety, depression etc) or pre-existing medical conditions (such as asthma, diabetes, epilepsy, hypertension etc). These will be recorded on their Consent Forms
- We will always take reasonable steps for our walks to be inclusive and accessible to as many people as possible. Not all walks will, however, be accessible to everyone due to the physical nature of the valley, hill and mountain environment in which we operate.
- Mark Reid and/or the Freelance Leaders reserve the right to refuse to take a participant whom they consider will be unable to complete the planned activity.

STATEMENT REGARDING ACCESSIBILITY

- Routes will be chosen and planned taking into account the personal information provided on the Consent Forms, including fitness, medical conditions, disabilities etc, to ensure as much as possible a rewarding, fulfilling and achievable walk. Particular attention will be given to dynamic route choice during the event, to take into account changing weather, ground conditions, ability, fitness etc.
- Our language will be clear and concise, with demonstrations and practical learning if appropriate.
- We will provide outdoor footwear, clothing, gear and equipment (if required) for all participants, free of charge
- We will ensure as much as possible that meeting points (pubs, cafes etc) are easy to find, offer ample parking, have public transport links (if possible) and are of a very good standard. We will always ensure that the meeting points are expecting us.
- If the event includes overnight stays, then we will ask the accommodation and/or food provider to offer a range of vegetarian options, and to cater for dietary requirements (if requested).
- All TeamWalking Mountain Leaders will engender an environment supportive of lone participants and people who are new to outdoor activities. This will be done through clear joining instructions, punctual timings, accessible meeting points and suitable venues for evening meals, usually at a pub (for events that include overnight stays). Ensure lone participants are safe to walk to their accommodation at the end of the evening.

All personal information will be treated in confidence and in accordance with our Privacy Policy (GDPR); see Appendix.

RISK ASSESSMENT GUIDELINES

GROUP

PRIOR KNOWLEDGE (CONSENT FORM)

- Name, address and contacts
- Age
- Fitness / Exercise / Experience
- Kit to borrow
- Dietary, allergies
- Medical conditions

ACTION

Plan, inform; dynamic, flexible
Consent form, provide kit, gear check
Follow up with standard email re medical conditions
Follow up with standard email re medical conditions

AIMS, ASPIRATIONS, EXPECTATIONS

What are the aims?

- Enjoyment
- Experience new areas / challenges
- Improve confidence
- Walk with a Mountain Leader
- Learn new skills
- Corporate team day

ACTION

Once aims established, add to this practical information such as weather, wind, fitness, experience, logistics, group size etc

Always determine what their aims are as a team

Clear briefing about the aims of the walk before the day, pre-walk and during walk.

PARTY SIZE AND RATIOS

Our suggested ratios for various walking activities are as follows:

Valley / Low-level	12 people per Leader	Hill / Moorland	10 people per Leader
Mountain	8 people per Leader	NNAS awards	4 - 8 people per Leader

Children aged 14 to 18 MUST be accompanied by their parent/legal guardian until such time as TeamWalking applies and secures an AALA licence. [See Child Safeguarding Policy](#)

These are SUGGESTED RATIOS, and are dependent on a number of factors:

- Aims, aspirations and expectations
- Age, fitness, ability and experience
- Weather and season
- Length of route and height gain
- Whether the route follows visible paths and tracks or open country.
- Terrain - valley, hill, moorland or mountain. Remoteness of terrain and potential escapes

Maximum Ratios (unless in an emergency) - Mountain: 12 per leader; Lowland & Moorland: 15 per leader.

ROUTE PLANNING

The route will depend on:

- Group size
- Aims, aspirations and expectations
- Fitness, ability and experience
- Conditions, terrain, location
- Weather, season

Route plan to consist of

- Distance, time, height gain/loss
- Terrain, Hazards, weather, escape routes / alternatives

A 'Route Plan' may vary from a discussion between Walk Leaders to an 'overview map' to a more formal written Route Plan. Route Plans must be viewed ONLY as guide, and the actual walk must be flexible and dynamic to take into account the group's aims and needs, weather conditions, terrain, ability, fitness etc. For more remote walks in mountainous terrain, then it may be necessary to leave a copy of the Route Plan with a responsible person, with clear instructions of when to call out Mountain Rescue:-

- When instructed to do so by the Mountain Leader
- When the Mountain Leader has not returned by an agreed time

LEADERSHIP

COMMUNICATION

- Know your group - first names, fitness levels, medical history, aims etc
- Assert control so the group are certain that the Mountain Leader is in charge
- Inform and brief the group about the activity, aims, route, weather etc
- Safety, risks, hazards
- Education - people gain the most from the outdoors when they are engaged and learning
- Keep all party members within sight AND sound of each other
- Ability to quickly take a head count
- Clear and concise instructions when necessary
- Decision making - intervention, safety, route, navigation, group management
- Judge enjoyment, fitness, stamina throughout the day
- Brief in a semi-circle
- Physical positioning within the group
- Review and reflect

DUTY OF CARE

PREVENT FORESEEABLE ACCIDENTS

- Prior knowledge
- Aims, expectations, aspirations
- Party size
- Route planning and weather forecast
- Leadership, briefing, communication
- **RISK ASSESSMENT FOR EACH WALK**
- **SAFETY BRIEFING**
- **EMERGENCY PROCEDURES & INCIDENT MANAGEMENT**

PROVIDE REQUIRED EQUIPMENT

- Consent Form & kit list for participants
- Provide clothing, gear and equipment
- Ensure participants are prepared - clothing, footwear, provisions, knowledge of activity
- Gear check, briefing
- Provide Group Shelters
- **KIT LIST** for freelance Mountain Leaders

KNOWLEDGE OF ACTIVITY (CONSENT)

- Consent Form, website and pre-walk information
- Route Plan, weather forecast, course overview (if applicable)
- Ensure participants have knowledge and understanding of activity
- Mountain Leaders to operate within the remit of their award.

WALK LEADERS

The Walk Leader **MUST** demonstrate:

- A reasonable level of care
- Reasonably manage the foreseeable risks
- Work within the accepted norm
- Embrace legal and moral responsibilities
- Spatial and situational awareness

This process will determine the following key elements of all groups in the outdoors.

Who, when, where, what and why

CONSENT FORMS MUST BE COMPLETED BY EVERYONE

WALK RISK ASSESSMENT FLOW CHART

Operating Procedures, Health & Safety Policy & Generic Risk Assessment

PRE-WALK - Send out Consent Forms and Confirmation Email & Walk Overview

Once Consent Forms received, follow up medical conditions or areas of concern (fitness, experience etc).
Produce Participants List. Plan suitable route(s) according to location, group size, aims, type of event/activity, fitness levels, experience, weather history/forecast etc. Ensure everyone is aware of what the walk may entail in terms of landscapes, terrain, hazards, weather, distance, timings etc.

PRE-WALK - Specific Walks Risk Assessments

Yorkshire Three Peaks / Challenge Walks
Valley, Hill & Guided Walks (Valley, Hill & Moorland)
Upland, Fell & Mountain walks (Mountain)

Get weather forecast, assess risks associated with weather forecast/history.
Medical / Health conditions that require specific Risk Assessment.
Produce Route Plan(s) for the day. Highlight any specific risks/actions for the specific route/group on Route Plan and Walk Risk Assessment.

PRE-WALK - Send 'Final Walk Summary' email to participants

To be sent a few days before the event:

Summary of the walk or a Route Plan (depending on the activity)
Weather details, and any hazards or action points (heat/cold/rain/wind etc)
Any additional kit participants should bring due to route and/or weather
Ensure all participants have received the Confirmation Email and Final Walk Summary email

MORNING OF WALK / CAR PARK - Specific Risks / Assessments / Kit

To go through on the day

Overview of the day / aims / objectives (*why are people there?*)
Briefing Sheet / Route Plan & Escapes / Gear Check / Weather Forecast / Specific Hazards / Action Points
Give spare map & emergency equipment to a party member, if appropriate (remote/mountainous routes)
Discuss any Medical Conditions with individuals (where they keep their medications, warning signs etc)
Discuss with everyone their experience (possible). Ask if anyone has any questions / concerns

WALK IN - Observations / Ability Assessment / training / use of kit

Discuss common accidents and incidents, and gradually introduce training through observation, demonstration and practice, e.g. crossing stiles, slopes, streams. Observe, adjust and/or demonstrate use of clothing and/or kit, if necessary/appropriate. Training on the walk-in in a structured and progressive way on easy and safe ground. Breathing, foot placement, body posture, balance, co-ordination, movement skills, centre of gravity. Observe the group during the first part of the walk for ability, fitness, agility, pace, kit, which will allow adjustments of route, pace, group dynamics etc to provide an achievable day for all.

THROUGHOUT THE WALK - focus, concentration, observation, dynamic, flexible

Keep focussed on individuals and group dynamics, pace, fitness and ability.
Flexible and dynamic route choice. Dynamic Risk Assessment throughout the day, for the unforeseen circumstances, hazards, appropriate route choice, achievability, timings, capabilities etc.

POST-WALK - feeling and feedback

How is everyone feeling? What feedback is there from people - plus, minus, interesting.
Any improvements or learning to take away from the day? Accident or Near Miss reporting (if required)

RISK ASSESSMENT DEFINITIONS

The generic Risk Assessment forms the key risk assessment document for all activities undertaken by TeamWalking and its Freelance Mountain Leaders.

It is essential that this is read through fully before any activity, and then a Specific Risk Assessment produced for that particular activity in conjunction with participant/group information, aims, route plan, weather conditions, location etc; this will then highlight the specific risks that must be managed and/or briefed to the group prior to the activity.

Mark Reid and TeamWalking looks for 'actual' risk of injury from a competent persons perspective, as opposed to a 'perceived' risk of injury by an inexperienced person.

When considering risk, it is important to note:

- **Who may be harmed** - participants, instructors, public
- **Likelihood of injury** - low, medium, high
- **Consequences of the risk of injury** - low, medium, high
- **Control and Action Points** - briefing, knowledge/education, giving responsibility, personal safety and/or protective equipment, training and practice
- **Review and reflection** - after each walk, then update the Risk Assessment and Operating Procedures as appropriate.

The risk of injury **MUST** be balanced against the nature of the activity, as hill and mountain walking involves a recognised level of unavoidable risk, that often forms part of the attraction of the activity. It must also be balanced against the benefits of learning and experience that comes from challenging terrain and conditions.

Whilst out walking across the hills and mountains, Mountain Leaders frequently make experienced-based judgements and decisions with regards to the route, group management, level of engagement of participants etc to manage and/or reduce the level risk as much as is reasonably possible, whilst also balancing this risk of harm with the potential benefit of the chosen activity.

"It is not the mountain we conquer, but ourselves" - Sir Edmund Hilary.

All Instructors must consider their responsibilities with respect to their **Duty of Care** (see above)

SAFETY STANDARDS

All instructors must hold the relevant National Governing Body (NGB) Award for the activity they are providing. With regards to hill and mountain walking, this is the summer Mountain Leader award (ML) as a minimum.

All Mountain Leaders must operate within the remit of their NGB Award(s).

All Mountain Leaders must have sufficient liability insurance cover for the activity they are providing, as well as an up-to-date First Aid certificate.

When working with children and young adults (under 18s), all Mountain Leaders must hold a current DBS certificate (Disclosure and Barring Service) and have undertaken a recognised Child Safeguarding course.

All Participants must complete and sign a Consent Form prior to the start of each course or guided walk.

All walks will start with a safety briefing to all participants (See Safety Briefing Sheet). At the pre-walk briefing, all participants are asked to make the Leaders aware of any changes in circumstances or medical conditions prior to the commencement of the walk.

All participants must be wearing suitable clothing and footwear, and be carrying suitable provisions and kit for their chosen activity - this must be checked by the instructor.

There is generally a NO ALCOHOL policy before or during the walks or activities for any Mountain Leaders and Participants. However, when dealing with adults some discretion may be taken by the Mountain Leader, if appropriate (for example, taking refuge in a village pub during inclement weather, or a late afternoon pub stop nearing the end of the walk). Any consumption must be limited to no more than one drink.

The Countryside Code must be followed at all times.

All Mountain Leaders must adhere to the TeamWalking Kit List, and carry/provide sufficient and suitable group safety equipment (including First Aid Kit, spare clothing, Group Shelter and rope), as well as a fully charged mobile phone. In the event of two Mountain Leaders working with a group, then hand-held Walkie Talkies will also be used for communication, in addition to mobile phones.

When walking on roads, the instructor must brief the participants clearly on how to assess the safest side of the road to walk; everyone must be visible to traffic.

All walking routes will have a Route Plan produced before the event, with alternative and escape routes highlighted.

Only Rights of Way or Open Access Land may be used.

It is important that the members of the party are equipped to deal with an accident or injury occurring to the Mountain Leader. This is particularly important when walking across remote and mountainous terrain when there is one Leader with the party.

With this in mind, the party should be briefed about the following:

- Emergency equipment carried by the Leader in his/her rucksack
- Proposed route, and kept informed of their location on a map during the walk.
- Potential escape routes and key emergency procedures (how to call Mountain Rescue)
- A spare map should be given out to a member of the party, and extra emergency equipment in poor conditions/mountainous areas (additional group shelter, mobile phone, small first aid kit etc)

INSTRUCTOR TRAINING & INDUCTION POLICY

All freelance Mountain Leaders working for TeamWalking are required to undergo an Induction Procedure.

The Induction Procedure involves the following documents being sent by email (with a receipt acknowledgement) and then a briefing meeting prior to the walk that will cover:

- General information about TeamWalking
- Fees and administration
- Operating Procedures
- Risk Assessments (generic and walk specific)
- Participants List, Medical Conditions, Fitness levels
- Route Plans and Weather Forecasts
- Safety Activity Briefing and Kit List
- Emergency Procedures & Incident Management
- Contacts (Mark Reid, Mountain Leaders, emergency contacts etc)

Mark Reid will hold on file the following documents, with expiry dates:

- NGB Award
- First Aid Certificates
- Insurance Documents
- DBS certificate (if appropriate)
- Child Protection and Safeguarding training (if appropriate)

CHILD SAFEGUARDING POLICY (*under 18s*)

NOTE: All participants aged between 14 and 18 are only allowed on a walking activity as long as they are accompanied by a parent/legal guardian on a 1:1 basis at all times, and their parent/legal guardian is within sight and sound of their child during the activity. TeamWalking does not act *in loco parentis* at any time. Attendance is subject to approval by TeamWalking as not all activities are suitable for under 18s.

TeamWalking recognises the importance of the welfare of children, as well as its duty of care towards them.

DESIGNATED SAFEGUARDING PERSON - Mark Reid, TeamWalking.

CODE OF CONDUCT

All TeamWalking Mountain Leaders will:

- Value inclusivity, appreciate difference, welcome learning from others, and consider all participants to be equal
- Respects everyone's dignity equally.
- Act as a positive role model, in their use of language, behaviour and prompt time keeping
- Set and monitor appropriate boundaries and relationships when working with children
- Put the welfare of the child and their enjoyment of the adventurous outdoor activity first
- Create & maintain a safe & caring environment that enables children to ask questions or raise concerns
- Build relationships based on mutual respect, and give and receive feedback in a constructive way
- Not tolerate activities or behaviours which are abusive or inappropriate, e.g. bullying, harassment etc, including those from a child's peers
- Take action if they have concerns about a child's welfare
- Ensure physical contact occurs only when necessary, and is kept to the safe minimum e.g. spotting on a rock step or in a medical emergency. This should be done only with the knowledge, informed consent and agreement of the child and/or their parent/guardian. *This can be verbal agreement.*
- Respect confidentiality whenever possible when issues are reported

TeamWalking adheres to

- Remit of the National Governing Body (NGB) awards - Mountain Training England
- The Children Act 1989 & 2004
- Working together to Safeguard Children 2015
- The Management of Health and Safety at Work Act 1974
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995

All TeamWalking Mountain Leaders are qualified (NGB awards), First Aid trained and insured. When working with under 18s they also hold a current Disclosure and Barring Service (DBS) certificate and have undertaken Child Safeguarding training.

PARTY SIZE, RATIOS & AGES - UNDER 18s

The minimum age is 14 years old for valley, hill, moorland and mountain walking. Not all activities that TeamWalking offers are suitable under 18s. The following ratios include ALL participants - children, parents and adults. The suggested ratios for our various walking activities are as follows:

Valley / Low-level 10 people per Leader Hill / Moorland / Mountain 8 people per Leader

These are SUGGESTED RATIOS. Ratios are dependent upon:

- Aims, aspirations and expectations
- Age, fitness, ability and experience
- Weather and season
- Length of route and height gain
- Whether following visible paths/tracks or open country
- Terrain - valley, hill, moorland or mountain. Remoteness of terrain and potential escapes

IMPORTANT

- All groups **MUST** be accompanied by a Mountain Leader at all times.
- All children must be accompanied at all times during the activity by an individual who is their own parent or a legally appointed individual guardian.
- The parent or legally appointed guardian must be within sight and sound of the young person taking part in the activity at all times. The parent or legally appointed guardian are responsible for their

child at all times, both during the activity and after the activity; TeamWalking does not act 'in loco parentis' at any time.

- All interaction, coaching, leading and guiding of children by the Mountain Leader must be within the group, with at least one other adult present. *This is to avoid working in isolation with a child.*
- During the activity, the ratio must be one parent (or legally appointed guardian) to one child. The parent or legally appointed guardian must take heed and act upon all information, guidance or hazard warnings given by the Walk Leader during the pre-walking briefing or whilst on the walk.
- TeamWalking is not responsible for accommodation, travel or food before, during or after any activity; our Duty of Care applies to the activity only. TeamWalking will ensure a clear transfer of responsibility at the commencement and conclusion of the activity.

PHOTOGRAPHS / VIDEO-RECORDING

Photographs and/or videos may only be taken during a walking activity, with the knowledge and consent of all those included in the photograph and/or video. In the case of children, this consent must be given by the parents or legal guardian. As their parent or guardian will be present, then this consent may be verbal. This policy applies to all members of the party. These images may then be shared on TeamWalking's social media and/or website (we never disclose any personal or identifiable information).

CHILD PROTECTION POLICY

RECOGNISE & RESPOND

- Recognise abuse and neglect (physical, emotional, sexual abuse, neglect, bullying)
- Respond appropriately

It is not our job to diagnose abuse, but it is our job to notice concerns and act on them. When listening to a disclosure from a child, be empathetic, supportive, reassuring, calm and listen carefully. Do NOT ask investigative questions or try to gather evidence. Make notes and record the information.

WHO TO REPORT TO

Report and Record our concerns, along with action we have taken. Always pass on the information - Report the disclosure to or seek advice from Children's Social Care (Social Services), NSPCC's helpline, Childline, Emergency Services or the Police, depending on the nature of the disclosure.

Only share information on a need-to-know basis with people who have a role in protecting children, and only what is important for them to know. Report the disclosure within 24 hours, or as soon as is possible. If there are doubts as to whether to report something, seek advice from **NSPCC Helpline: 0808 800 5000** or **Childline: 0800 1111**

In certain circumstances, it may be helpful to discuss concerns with the child's parents or carers, as this may explain your concerns (family bereavement etc). However, the welfare of the child is the priority. Only discuss concerns with parents or carers if appropriate; if not appropriate contact NSPCC / Childline.

WHAT TO REPORT

- Name and information about the child
- Nature of concern - what the child said, physical signs, behavioural indicators
- Your name and role
- When and where it happened; who else was present
- What the child said, and what you observed
- Any relevant observations about the child in the past (change in behaviour etc)
- What you said in response to the child; your opinion
- Name and address of the alleged perpetrator (if known)
- Who you have told, any advice received or action taken

RECORD

- Young person's details
- Nature of incident - details of concern, injury, abuse or neglect
- Those involved and the circumstances
- What was said or done - any action taken, what the said said, what was said to the child
- Record your observations, accurately, clearly and concisely
- Sign and date your record; report appropriately.

This information is confidentially, and should only be shared with people on a need to know basis

ADULT SAFEGUARDING POLICY, *including Adults at Risk*

TeamWalking recognises the importance of the safety, wellbeing and welfare of everyone who attends a TeamWalking event. We strive to ensure as much as possible that our walks are enjoyable, inclusive, free from prejudice, accessible and that they meet expectations. We have a positive and proactive approach to accessibility, diversity and disability.

CODE OF CONDUCT

All TeamWalking Mountain Leaders will:

- Value inclusivity, appreciate difference, welcome learning from others, and consider all participants to be equal
- Respects everyone's dignity equally.
- Recognise that they are in a position of trust and leadership, and will act, behave and communicate in a professional manner
- Act as positive role models, in their use of language, behaviour and prompt time keeping
- Set and monitor appropriate boundaries and relationships with our clients.
- Put the welfare of the person and their enjoyment of the adventurous outdoor activity first
- Create & maintain a safe & caring environment that enables everyone to ask questions or raise concerns
- Build relationships based on mutual respect; give and receive feedback in a constructive way
- Will not tolerate activities, language or behaviours which are abusive or inappropriate, e.g. bullying, harassment, racist or sexist language, misuse of alcohol, drug use etc
- Ensure physical contact occurs only when necessary, and is kept to the safe minimum e.g. spotting on a rock step or in a medical emergency. This should be done only with the knowledge, informed consent and agreement of the person. *This can be verbal agreement.*

TeamWalking adheres to

- Remit of the National Governing Body (NGB) awards - Mountain Training England
- The Management of Health and Safety at Work Act 1974
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1995

PHOTOGRAPHS / VIDEO-RECORDING

Photographs and/or videos may only be taken during a walking activity, with the knowledge and consent of all those included in the photograph and/or video; these images may then be shared on TeamWalking's social media and/or website (we do not include personal or identifiable information). *This consent may be verbal.*

ACCEPTABLE BEHAVIOUR

- We strongly believe in leading by example, with good behaviour, acceptable language and positive group management.
- All Mountain Leaders will refrain from using poor or offensive language, including swearing.
- All Mountain Leaders will engender an environment free from prejudice or discrimination with regards to age, gender, religion or ethnicity.
- All TeamWalking Mountain Leaders will not drink alcohol or smoke whilst undertaking the adventurous activity. If the event includes overnight stays, then good behaviour will continue throughout the evening, with any alcohol consumption done in moderation (if applicable).
- All TeamWalking Mountain Leaders will not tolerate abusive, offensive or inappropriate language and/or behaviour from people within their group. Initially, the Mountain Leader will speak with the person concerned to discuss appropriate language/behaviour. If such behaviour continues after a warning then they will be asked to leave the group (only if safe/appropriate to do so), and then refused attendance on future events.
- All TeamWalking Mountain Leaders will engender an environment supportive of lone participants and people who are new to outdoor activities. This will be done through clear joining instructions, punctual timings, accessible meeting points and suitable venues for evening meals, usually at a pub (for events that include overnight stays). Ensure lone participants are safe to walk to their accommodation at the end of the evening.

If Adult Safeguarding issues arise, and an adult appears to be at risk, then this will be reported to relevant authorities.

Safeguarding reporting form

This form should be used to record safeguarding concerns relating to Children and/or Vulnerable persons.

In an emergency please do not delay in informing the police or social services. All the information must be treated as confidential and reported to the Designated Safeguarding Officer within one working day or the next working day if it's a weekend.

The form should be completed at the time or immediately following disclosure, but after all necessary emergency actions have been taken. Please complete the form as fully as possible.

Appendix A: EMERGENCY PROCEDURES

INCIDENT MANAGEMENT PLAN

Often, incidents are the result of many small contributory factors compounding over time to create a more serious incident. The potential consequences of these contributory factors are often only noticeable and identifiable by the Mountain Leader as the competent and experienced leader of the party; the members of the party often lack the experience to make sound judgements and decisions and so it falls to the Mountain Leader to recognise these factors and make experienced based judgements as to when to take action to minimise the risk if reasonably possible, whilst also balancing the risk of harm with the potential benefit of the chosen activity.

Knowledge of the party members and an assessment of their skills, ability, fitness etc during the early stages of the walk, as well as throughout the walk, are key. This must be coupled with an appreciation and understanding of weather conditions, ground and terrain.

Walking behind the group in the early stages of the walk is good practice, to watch how they deal with slopes, uneven ground and assess fitness levels.

When things start to go wrong, it is important that the Mountain Leader has a strategy for dealing with their group.

- **Stop walking**, bring the group together and take time to consider the situation to avoid hurried action that may compound the problem
- In inclement weather, sit the group in a **Group Shelter**, as this provides warmth, shelter and improves group morale.
- **Eat food and drink fluids** to improve body and brain functions
- **Keep warm** - ensure all members of the group have sufficient clothing - issue spare clothing if necessary.
- **Discuss** the situation with the group - include them in decision making and route planning
- Ensure you **know exactly where you are** and take time to plan a safe route before setting off along the escape route or continuing along the walk
- Know the upper limits of the remit of the Mountain Leader award to avoid very steep ground and other potential hazards (river crossings etc).
- The Leader's responsibility is to his/her party members. As the experienced member of the party, the Leader must always make experienced based judgements to ensure the walk remains within the scope, ability, fitness of all of the party members.
- **Never split the group** - always remain together as one group. If there are two Mountain Leaders within the group, then it may be possible to split the group but again this will be based on a judgement made by the Leaders at the time. The Leader shall not leave participants alone in the hills or mountains, unless it is necessitated for the purpose of seeking rescue. In such cases the Leader shall take all reasonable steps to ensure the safety of the participants.
- In the event of an **emergency situation**, please refer to the [Emergency Procedures](#).

EXPERIENCE-BASED JUDGEMENTS

EMERGENCY PROCEDURES

All incidents must be managed in accordance with the Instructor's NGB Award and First Aid training. All incidents are different, and pose different management challenges. Therefore, this Flow Chart is designed to offer guidance with regards to handling an incident. The Instructor running the course or guided walk is responsible for the participants at all times. They must deal with all situations, incidents, accidents or injury ('incident') if they arise, in accordance with their training and TeamWalking's Operating Procedures. An instructor's first duty is to their participants. By giving assistance, neither the Instructor nor the participants should be caused unnecessary risks to their safety.

In the event of illness, accident or injury:

- DANGER - is the area safe; any further danger?
- RESPONSE - assess casualty; are they alert or unresponsive?
- SHOUT - Call for help if necessary/appropriate (try to attract attention of people nearby to help)
- PROTECT AIRWAY; STABILISE CASUALTY (Airway, Breathing, Circulation, Deformity/Detail)
- ENVIRONMENT - Seek shelter and keep warm; energy and water (if appropriate)
- MONITOR CASUALTY - monitor to see if casualty is stable or getting worse
- GET HELP - Call ambulance or Mountain Rescue (999 via police) - precise details of problem and location.
- SELF HELP - evacuation via escape route or finish the walk.

IMPORTANT

- *Only 'self help' if appropriate/safe to do so, and will not make casualty/situation worse.*
- *In case of chest pains/heart attack, get help immediately*

Incident reporting

- The Instructor running the course or guided walk is responsible for the participants at all times. They must deal with all situations, incidents, accidents or injury ('incident') if they arise, in accordance with their training and TeamWalking's Operating Procedures.
- Casualty Cards must be completed, TeamWalking's Emergency Procedures followed and the Accident Book completed.
- In all cases, Mark Reid (TeamWalking) must be informed of any incident as soon as is reasonably possible.
- In case of a serious incident then Mark Reid (TeamWalking) and the Freelance Instructor's insurance companies must be informed, as well as HSE (RIDDOR) if appropriate.
- **Mark Reid can be contacted 24-hours a day on 07711 264019**
- Participant's emergency contact details are recorded on their Consent Form, which are held by Mark Reid.

"Near Miss" reporting

All instructors are asked to report any 'near miss' incidents that did not involve any actual accident or injury, but represent an event that offers learning points from which recommendations and actions points can be taken to improve the Risk Assessment and prevent similar incidents occurring in the future.

Mark Reid will hold a central Accident Book and Incident Log

APPENDIX B: INSTRUCTOR KIT LIST

KIT LIST

Instructors

- Accident Book, Casualty Card and Emergency Procedures forms
- Briefing Sheet, Kit List, Walk Risk Assessment, Route Plan and weather forecast
- Participants List and Consent Forms (*detailing name, age, fitness, experience, medical conditions and emergency contacts*)
- Personal walking clothes, spare personal clothing and full waterproofs
- Group First Aid Kit (*including soluble aspirin*)
- Spare fleece, hat and gloves for group use (as appropriate)
- Sun cream, sun hat and sunglasses (as appropriate)
- Hot drink in a flask
- Personal water, plus spare water
- Personal food, plus high energy snack food / glucose gel or tablets
- Mobile phone, fully charged
- Notepad, pencil, repair kit (gaffer tape),
- Two headtorches (*and spare batteries*)
- Map and compass, plus spares of each
- Survival bag and group shelter
- Trekking poles
- Rope for emergency use (*upland & mountainous areas, depending on terrain, weather*)

Participants - gear check

- Suitable walking clothes (no jeans)
- Suitable footwear (no trainers)
- Full waterproofs (jacket and trousers)
- Spare lightweight fleece
- Warm hat and waterproof gloves (as appropriate)
- Suncream, sun hat and sunglasses (as appropriate)
- Snack food and packed lunch
- Plenty of water plus a hot drink in a flask (as appropriate)
- Head-torch (as appropriate)
- Personal medications (for example, asthma inhaler)
- Spare map and emergency equipment within the group (remote/mountainous routes)

APPENDIX C: ACTIVITY SAFETY BRIEFING

It is important that members of the party are equipped to deal with an accident or injury occurring to the Mountain Leader (Leader). This is particularly important when walking across remote and mountainous terrain when there is one Leader with the party.

With this in mind, the party should be briefed about the following:

- Emergency equipment carried by the Leader in his/her rucksack (First Aid kit, Group Shelter, Mobile Phone, Spare clothing, map and compass etc)
- Proposed route, and kept informed of their location on a map during the walk. *It is good practice to involve group members in decision making and route finding during the walk.*
- Potential escape routes and key emergency procedures (how to call Mountain Rescue)
- A spare map should be given out to a member of the party, and extra emergency equipment in poor conditions/mountainous areas (additional group shelter, use of their mobile phone, first aid kit etc)

WALK DETAILS

ROUTE PLAN - overview of the walk

- | | | |
|-----------------|----------------|--------------|
| • Distance | Time | Height gain |
| • Terrain | Objectives | Alternatives |
| • Escape routes | Lost procedure | |

TOILETS

- Toilets, and going to the toilet outdoors
- Personal hygiene

REST STOPS

- Food, water, breaks, facilities en route (cafes, pubs, toilets, buses etc)

WEATHER FORECAST, TERRAIN & ROUTE PLAN

Specific Risk Assessment - highlight specific hazards and action to take

- Steep ground / cliffs / crags
- Roads / stiles / farmyards / livestock
- Terrain & rock underfoot (limestone - slip hazard)
- Height gain
- Water hazards
- Weather forecast and history (heat , cold, wind, rain, lightning)

GEAR CHECK - Participants

- See Kit List. Correct rucksack adjustment. Check suitable footwear. Ensure everyone has waterproofs.

ON THE WALK

- Leader will warn participants about specific hazards along the walk
- Ladder stiles, wet rock/limestone slippery when wet, pot holes, mines, quarries, trees - eyes
- Roads and traffic
- Back marker (if have one) - close gates, inform Leader if someone stops
- Keep within sight AND sound of each other
- Lost procedure (and lost avoidance) - stay on the path and stay still; we will find you.
- Livestock, animals, adders, ticks etc
- Hands out of pockets and look where putting your feet.
- Do NOT walk and read the map at the same time
- Drink plenty of water, eat snack food.
- Stream crossings and wet/boggy ground

IMPORTANT POINTS

- Leader make themselves aware of participants fitness, experience and medical, and discuss this with the participant if appropriate. Record any conversation on their Consent Form.
- *Most common accident?* Slips, trips and falls. Blisters. Dehydration (all year). Summer - sun burn / dehydration (sun stroke). Cold (shivering/hypothermia). Winter - darkness, cold. Discuss prevention.
- Mobile phones - turn them off if possible as they are a distraction.

- No Smoking & no alcohol (a judgment may be made about alcohol if appropriate, but restricted to 2 units)
- An enjoyable day out so plenty of rest stops, ask questions and enjoy it.
- Any problems such as blisters, cold, tired etc then inform the Leader BEFORE becomes a problem.
- Countryside Code
- Average walk - 1,400 strides per KM, 500ml water lost per hour, 100 calories per KM.

At pre-walk briefing, ask participants to make the Leader aware of any recent changes in circumstances, illnesses or medical conditions/history prior to the commencement of the walk. ANY QUESTIONS?

This briefing sheet is designed as an aide memoir - it is not necessary to brief all of the above, only the relevant information for the particular walk.

APPENDIX D - Consent Form *(including Terms & Conditions)*

NB: This is now completed by participants online and is in a different format to this.

CONSENT FORM

Thank you for choosing **TeamWalking** for your Navigation Course or Outdoor Adventure. I am really looking forward to meeting you and I am sure we will have an enjoyable and memorable time in the Great Outdoors!

OUR CONTACT DETAILS DURING THE WALK

Your Walking Guide will be Mark Reid (Mountain Leader), unless otherwise stated on your confirmation email. If you or a family member wishes to contact Mark Reid before or during the activity, his mobile is 07711 264019.

WHAT TO WEAR & BRING WITH YOU

What to wear

It is important to wear a 'layering system' of clothing as follows:

- Base layer - long-sleeved T-shirt
- Mid layer - fleece
- Outer shell - waterproof/breathable coat and over-trousers
- Walking boots. These must be waterproof with good ankle support and sturdy soles
- *plus* walking trousers

Wear clothing that is made from synthetic fibres, which are quick drying and help 'wick' moisture away from your skin. Do NOT wear cotton (especially jeans) as cotton soaks up moisture.

What to bring

- Sunhat, sunscreen and sunglasses (spring to early autumn)
- Warm hat
- Waterproof gloves
- Water bottle (at least 1 litre)
- Flask of hot drink
- Spare fleece
- Packed lunch
- High energy snack food (dried fruit, nuts, muesli bars, chocolate bars etc)
- Medications (if applicable)
- Waterproof bag for camera, mobile 'phone etc
- Rucksack (to carry all of this in!)

Please note:

*Please provide your own **personal walking clothes** (base layers, walking trousers, socks etc).*

*We recommend you provide your own waterproof **walking boots** with sturdy soles (with good tread) and ankle support, as these will be more comfortable than borrowed boots. We do have a few pairs of walking boots you can borrow, in sizes 4 - 12.*

NEED TO BORROW SOME OUTDOOR GEAR?

We can provide the following outdoor gear:

- Waterproof outdoor Jacket (sizes S - XL)
- Waterproof over-trousers (sizes S - XL)
- Fleeces (sizes S - XL)
- Waterproof gloves (sizes S - XL)
- Warm hat
- Rucksack
- Head-torch
- Walking boots (sizes 4 - 12) - *we recommend you wear your own boots if you have them*

Please fill out your requirements on the participants list below.

Please see your Walk or Course Overview for more details about your chosen activity

PARTICIPANT INFORMATION - All information will be treated in confidence.

Name

Age

--	--

How often do you exercise?

What regular exercise do you currently do?

- ☐ Physical activity 0 or 1 day per week
☐ Physical activity 2 - 4 days per week
☐ Physical activity 5 or more days per week

NB: 'physical activity' means a minimum of 30 minutes of moderate exercise, such as brisk walking, swimming, jogging, cycling etc

--

Describe your level of fitness.

(Please don't write 'average'!)

When did you last climb a hill, fell or mountain?

(name of hill/mountain & date climbed)

--	--

Your hill-walking experience?

What outdoor gear would you like to borrow?

	<i>(please give sizes)</i>
--	----------------------------

Medical conditions, allergies, special requirements or recent illnesses

Please list all pre-existing medical conditions, allergies, special requirements or recent illnesses that may affect your participation in this activity, even if you think they may not be relevant. Please give full details of your condition(s), as this helps us provide an enjoyable and rewarding day for all. If you have a pre-existing medical condition that may make it unsafe for you to take part in this activity, then it may be necessary to seek advice from your GP. Please ensure that you bring any medication that you may need with you on your activity.

--

- I confirm that I am the participant.
- I am aware that valley, hill and mountain walking are activities that have an inherent and unavoidable risk of accident, personal injury or death. I understand the nature of the activity I have chosen to take part in and accept the risks involved.
- I consent to emergency medical treatment or medication to be administered to me during the activity in the event of injury / accident.
- I confirm that I have a reasonable and suitable level of fitness and ability for my chosen activity.
- I confirm that the information I have provided on this Consent Form is accurate and complete.
- I undertake to inform TeamWalking of any material changes to the personal information I have provided on this Consent Form between signing this form and the day of the walk.
- By completing this Consent Form I confirm that I have read through, understood and accepted the Terms & Conditions detailed below; I am fully aware of the type of activity I will be undertaking; I consent to my or my child's participation.

Signed *(by the participant, or parent/legal guardian if under 18)* **Date**

--	--

Photos & videos are taken on courses and walks, which we then send you as a memento & use on our website & social media. We never include identifying information when we publish these images. If you do not consent to this please inform Mark Reid at the start of the walk.

BOOKING TERMS & CONDITIONS

IMPORTANT: please read carefully

All of TeamWalking's outdoor courses, guided walks, outdoor activities & adventures are referred to as 'walk' or 'walking'.

- **Infectious Diseases (including Covid-19)** - to prevent the spread of infectious diseases, such as Covid-19, you must not attend if: you are unwell with a respiratory illness that you may transmit to others (*such as sore throat, cough, fever etc*); you have had a positive Covid-19 test in the previous 10 days, and are still testing positive after Day 5; you have any Covid-19 symptoms (*including generally feeling unwell, fatigue, sore throat, cough, fever, headache, loss of or change in your sense of taste or smell*). It is your responsibility to check Government Guidance and comply with any restrictions where you live. I must make you aware that there is still a low risk of transmission of an infectious disease, such as Covid-19, when taking part in one of our walking activities, which I cannot eliminate. You are aware of and accept this risk.
- **Hill & Mountain environment** - hill and mountain walking are adventurous activities with a risk of personal discomfort, accident, injury or death. Part of the attraction of valley, hill and mountain walking is the challenge of tackling different terrains, landscapes and weather conditions; indeed, risk is often an integral part of the activity. Every effort is made to minimise potential risks & hazards; however, the very nature of valley, hill and mountain walking involves a certain level of inherent and unavoidable risk of personal discomfort, accident, injury or death. The most common accident and/or injury in the outdoors include slips, trips and falls, as well as personal injury such as blisters, strained muscles, scratches & stings, sunburn, getting cold and varying degrees of personal discomfort due to weather/ground conditions (*these are just examples and is not an exhaustive list*). Of course, more serious accidents/injuries may occur due to the natural environment (steep, uneven, rocky, wet, slippery ground), personal health issues and extreme weather conditions. By taking part in this activity, you are aware of and accept these risks.
- **Terrain:** All walks will involve a varying degree of uneven and rough terrain, muddy/rocky/wet ground, fields, riverside, woodland, remote open country, high ground, hills, moorland and mountainous terrain, steep ground, stiles, stream crossings, roads and lanes, farms and livestock as well as a number of ascents/descents, some of which may be steep and sustained. We may also encounter adverse weather conditions on the walk, as well as darkness and/or poor visibility.
- **Potentially Strenuous:** Walking and outdoor activities can be strenuous. Never underestimate the strenuous nature of walking particularly when this is combined with the natural environment, hill and mountainous terrain and the elements.
- **Personal responsibility:** Mark Reid or his freelance Mountain Leaders (Walk Leaders) accept no responsibility for personal accidents or injury or for loss or damage to personal effects unless caused by their negligence as Walk Leaders. We strongly recommend you have adequate personal insurance cover for accident or injury, as well as travel insurance in case of cancellation.
- **Safety:** All participants must take heed of any safety information, guidance or hazard warnings given by the Walk Leader during the pre-walk briefing or whilst on the walk.
- **Non Participation:** The Walk Leader reserves the right to refuse to accept a participant on a walk or, if the walk has commenced, to terminate the walk for a participant ('non participation') for one or more of the following reasons: the participant refuses to complete a Consent Form; the Walk Leader considers that they will be unable to complete the planned activity; their pre-existing medical condition(s) and/or fitness makes it unsafe to take part or continue; they are wearing unsuitable clothing or footwear; they ignore direct safety instructions from the Walk Leader or their language and/or behaviour falls below an acceptable standard that causes offence to other group members or puts others within the group at risk. If the Walk Leader terminates a walk for a participant and the walk has already commenced then the Walk Leader will ensure that the participant reaches a place of safety off the hill, such as a track, road, pub/cafe, village, their car etc before continuing the walk with the remaining group. If a participant chooses to leave the organised group at any time during the walking activity and makes it clear or obvious that they are leaving the organised group, then the Walk Leader ceases to have any responsibility or liability for that participant with immediate effect. *The decision to refuse to accept a participant or terminate the walk for a participant lies solely with the Walk Leader. There are no transfer or refunds for non participation.*
- **Fitness and Experience** - Most of our walks require no previous hill-walking experience as full guidance will be given, however, a reasonable level of fitness and ability is required as the natural environment can be demanding at times. Walks are 'pitched' according to the experience, average fitness levels of the group, ground and weather conditions; the Walk Leader will always strive to adapt walks as much as is reasonably possible to match the fitness and ability of group members through adaptive and dynamic route choice and risk assessments. Some of our Outdoor Courses do require some previous hill-walking experience, such as NNAS Silver/Gold awards, Mountain Skills, Compass & Contours & Relocation courses. Our mountain walks, wild camping expeditions, challenge walks and walking holidays require a good level of fitness and stamina.
- **Consent Form:** All participants must complete a Consent Form prior to the event taking place; this must be done by each participant individually and can not be done on behalf of someone else, unless the Consent

Form is for their child who is under 18 years old. We will not accept a participant onto an event unless they have completed a Consent Form (*non participation - see above*). All participants must provide full, complete and accurate information on their Consent Form, including any medical conditions, special requirements, allergies and/or recent illnesses; participants must inform the Walk Leader of any changes to their personal information (including medical information) that have occurred between signing their Consent Form and the day of the walk.

- **Footwear:** All participants must provide suitable outdoor footwear, preferably walking boots, with sturdy soles, good tread and ankle support.

- **Alcohol & Smoking** - As this is an Adventurous Activity in a natural environment, which is also the Walk Leader's working environment, then we operate a no alcohol and no smoking policy during the activity.

- **Dogs** - you are welcome to bring a well behaved, good natured and socialised dog with you on some of our courses and walks (events). You **MUST** have permission in writing from us before the event in order to bring your dog with you, as not all of our events are suitable for dogs due to ground-nesting birds, livestock, access land, mountainous terrain, weather conditions, strenuous nature of the walk etc. Your dog **MUST** be insured, wormed and kept on a lead at all times, and is solely your responsibility and liability; TeamWalking accepts no responsibility whatsoever for the health, safety and wellbeing of your dog during the walk, nor for the behaviours or actions of your dog. TeamWalking reserves the right not to accept dogs on any of our walks, even at the last minute. Participants take priority over dogs. If a group member has dog allergies or phobias and requests a dog free walk, then no dogs will be allowed on that particular event. If you attend a multi-day walk and your dog is aggressive on the first day then you will not be permitted to attend on subsequent days with your dog. In both instances, you would need to find alternative arrangements for your dog. Our Transfer & Cancellation Policy only applies to participants, not their dogs. There are no transfers, cancellations or refunds available for participants if their dog is not able or permitted to attend a walk. A separate Dog Policy agreement will be emailed to you prior to the event. Mark Reid has a small cocker spaniel (Lola) who occasionally comes on his walks. *Registered assistance dogs are always welcome.*

- **Accommodation, Food & Travel** - You must book and pay for any accommodation, food and/or travel (the 'service provided') directly yourself. The contract for the service provided is between the person making the booking and the service provider. *We strongly recommend you have adequate travel insurance in case of cancellation.*

- **Payments** - full payment is required prior to the walk to secure your booking.

- **Transfer of Bookings** – If you are not able to attend your chosen walk and would like to rearrange, then you can request a Transfer of Booking (transfer), as detailed below. All Transfer of Bookings must be requested and confirmed in writing by email, text or post, and must be confirmed and paid for at least 1 day prior to the original walk date. Only one Transfer of Booking is permitted; if you have already transferred your booking to a new date and wish to cancel, then there are no refunds or further transfers permitted; a new booking must be made. If you wish to transfer onto a different walk that has a higher price, then these transfer fees apply plus any price difference (if applicable). No refunds will be given for transfers onto walks of a lower price. The transfer fees are quoted as a % of the original price paid for the walk. Transfers are subject to the following fees, payable at the time of transfer:

Within 14 days from the date you paid for your booking ('date of booking') - *free transfer*
From 15 days from date of booking up to and including 31 days before the walk – *10% transfer fee*

From 30 days before the walk up to and including 15 days before the walk – *25% transfer fee*

From 14 days before the walk up to and including 8 days before the walk – *50% transfer fee*

From 7 days before the walk up to and including 1 day before the walk – *75% transfer fee*

Notification on the day of the event or non attendance of the event – *no transfer available*

There are no transfers for non participation.

- **Cancellations** - All cancellations and refunds must be requested and confirmed in writing by email, text or post

(your refund will be sent to you within 14 days). Cancellations are subject to the following refunds:

Within 14 days from the date you paid for your booking ('date of booking') - *full refund*

From 15 days from date of booking up to and including 31 days before the walk – *75% refund of the cost of the walk.*

From 30 days before the walk up to and including 15 days before the walk – *50% refund of the cost of the walk.*

From 14 days before the walk up to and including 8 days before the walk – *25% refund of the cost of the walk.*

From 7 days before the walk up to the day of the walk, notification on the day of the walk or non attendance of the walk – *No refund*

If you have already transferred your booking to a new date and wish to cancel, then there are no refunds or transfers for bookings that have already been transferred.

There are no refunds for non participation.

TeamWalking's liability is limited to the cost of your chosen walk only. We strongly recommend you have adequate travel insurance in case of transfer or cancellation.

• **TeamWalking Cancellation** – the walk may be cancelled by the Walk Leader at any time prior to the walk due to illness of the Walk Leader, Government advice or law (for example, Covid-19), adverse weather conditions or forecast or any other *force majeure*. The decision to cancel the walk lies solely with the Walk Leader. In the event of cancellation by the Walk Leader, then TeamWalking's liability is limited to the cost of your chosen walk only. We recommend you have adequate travel insurance in case of cancellation. If the event is cancelled by the Walk Leader then you will be offered the following options:

Free transfer onto another scheduled walk advertised on our website.

Receive a credit note to be redeemed within 12 months against any advertised walk.

Receive a full refund.

• **Change during the walk:** The pre-planned routes may be subject to change whilst on the walk due to adverse weather conditions, pace of the group, fitness and ability levels, accidents or injuries etc. In extreme circumstances the walk may be terminated. Once the walk has commenced then any such changes to the pre-planned walk are deemed to be part of the walk. The decision to change or terminate the walk lies solely with the Walk Leader.

• **Over 18s:** All participants must be aged 18 years or over. Under 18s (minimum age 14) may attend if accompanied by a parent or legal guardian, and with prior agreement with TeamWalking as some of our activities are unsuitable for under 18s.

• All walks are subject to availability.

These Terms and Conditions must be read in conjunction with the Consent Form, relevant webpage on our website, and/or Walk or Course Overview, which gives more details of the chosen activity. Together the Consent Form, Terms & Conditions, webpage and/or Walk or Course Overview form the contract between us.

Please note that any agreement between us will be governed by and construed in accordance with the laws of England and Wales and, by booking a walk with us, you agree to this and submit to the exclusive jurisdiction of the courts of England and Wales.

Mark Reid is a qualified Walking Group Leader, Hill & Moorland Leader and Mountain Leader, and holds a current Outdoors First Aid certificate as well as Public and Civil Liability Insurance.

YOUR CONTRACT IS WITH:

Mark Reid, TeamWalking, 12 Wheatlands Grove, Harrogate, North Yorkshire, HG2 8JH07711 264019 /

mark.reid@teamwalking.co.uk / www.teamwalking.co.uk

UPDATED (Covid-19): 16th June 2020, with amendments 23rd August 2020, 1st January, 26th March, 12th Sept & 1st Dec 2021

REVISED & UPDATED: 26th October 2022

Dog Policy amended 30th December 2023

APPENDIX E - Privacy Policy (GDPR)

TeamWalking Privacy Notice

TeamWalking

TeamWalking offers a range of outdoor walking courses (navigation skills) and guided hill and mountain walks in the UK & British Isles. TeamWalking is operated as a Partnership, with Mark Reid (admin & courses/walks) and Bernadette Reid (admin). Mark Reid is the Data Controller & Processor of the personal information that participants provide to us via our website (TeamWalking and TeamWalking Shop) as well as their Consent Forms.

Personal Information we need

When making a payment transaction for a course or walk, we will require the following information to be entered into our OpenCart eCommerce site (TeamWalking Shop).

- First & last name
- Billing Address & Delivery Address
- Contact details, including email address and phone numbers

Your card details are processed securely by our third party payment provider (SagePay); we do not have access to this information. Please see SagePay's Privacy Policy

<https://www.sagepay.co.uk/policies>

Once payment has been made, we will send you a Confirmation Email and weblink to a Consent Form, which constitutes the contract between us.

Additional personal information is required for each participant attending a course/walk, to be entered onto the Consent Form, either digitally or printed.

- Name, contact details and home address of each participant
- Emergency contact name and phone number
- Age, current fitness and exercise information
- Hill walking experience
- Outdoor gear/clothing/boots you would like to borrow
- Medical information, allergies, recent illnesses or special requirements

Under 18s

The above information will be collected about the person aged under 18 from their parent. They must be accompanied by their parent on the course/walk.

Why we need your personal information (contract of service)

We process your personal information in order for us to enter into a contract with you and provide you with your chosen outdoor course or guided walk. *The reasons are as follows:*

- To enter into a contract and provide the service you require (outdoor course or guided walk). You need to provide payment and personal details so we can send you detailed information about your chosen course/walk, including the Confirmation Email and Consent Form (which form the contract).
- We need to know who is attending our courses or walks so we can provide a safe and enjoyable outdoor experience for you. This means that we require personal details, emergency contact, age, health and fitness information to be completed and returned to us on the Consent Form (*special category of data*).
- To allow us to respond to and communicate with participants regarding questions, comments, support needs, complaints or concerns in relation to our courses or walks. We also send you feedback emails and photographs after the course/walk.

Why we need your personal information (legal obligations)

We process your personal information in order for us to enter into a contract with you and to fulfil our legal obligations. *The reasons are as follows:*

- To comply with legal requirements for our own insurance or tax purposes (HMRC)
- To record any accidents or incidents that you may have been involved in or witnessed.
- To comply with legal requirements to inform the Health & Safety Executive (HSE) in the event of an accident or incident that is subject to RIDDOR.
- To comply with legal requirements in the event of a safeguarding issue.

You have the right to object to us using your personal information in certain circumstances. If you wish to object to any of the above processing, please contact us on info@teamwalking.co.uk. If we agree and comply with your objection, this may affect our ability to enter into a contract with you or provide you with our services.

Why we need your personal information (infectious diseases)

We may need to share some of your personal information with NHS Contact Tracing Services (e.g. Covid-19 track & trace). We will only share information with NHS Contact Tracing services if it is specifically requested, and will do so securely. NHS Contact Tracing services will not disclose this information to any third party unless required to do so by law.

The reasons are as follows:

This information may help to identify people who may have been exposed to an Infectious Disease, such as Covid-19, which may reduce the spread of the virus or infection.

We will only share the following information, if required to do so:

Name, phone number and date of event attended

You have the right to object to us using your personal information in certain circumstances. If you wish to object to any of the above processing, please contact us on info@teamwalking.co.uk. If we agree and comply with your objection, this may affect our ability to enter into a contract with you or provide you with our services.

Why we need your personal information - marketing (consent)

If you would like to receive email marketing communications from us, we will ask you to opt-in to our database when we meet you on the course / walk. You will simply need to sign an opt-in form to give TeamWalking consent to send you marketing emails. This database will not be shared with any third parties.

You may change your preferences at any time or request that we stop sending you email marketing communications by clicking the 'unsubscribe' button at the bottom of the email marketing communications we send.

NNAS & Mountain Training - Third Parties (contract of service)

We provide courses accredited to National Navigation Award Scheme (NNAS) and Mountain Training. They require some personal information from you so they know who is attending the course, course reports can be completed and certificates sent to you. This is necessary to fulfil the contract of service between us.

We will ask you to provide this personal information directly with either NNAS or Mountain Training via their website; your personal information will then be added to their online database (managed by JustGo or TahDah Verified Ltd). We can then access this information via their website in order to complete course reports; the information we can view is your name, date of birth, gender, email, address, telephone, emergency contact, special requirements, Digital LogBook entries and feedback.

NNAS's Privacy Policy <https://nnas.org.uk/privacy-policy/>

Mountain Training's Privacy Policy <http://www.mountain-training.org/privacy-policy>

Who we share your personal information with

We may be required to share personal information with statutory or regulatory authorities and organisations to comply with statutory obligations. Such organisations include the Health & Safety Executive, The Disclosure and Barring Service and the Police for the purposes of safeguarding children and vulnerable adults.

We may be required to share personal information with NHS Contact Tracing Services (e.g. Covid-19 track & trace).

We may share personal information with our insurers as well as our professional and legal advisors for the purposes of seeking advice, legal counsel or in the event of an insurance claim against us.

We may share a 'summary' of your personal information (name, fitness, medical information) to freelance outdoor instructors who are assisting Mark Reid with a course or walk where group numbers require more than one instructor. This information will be in printed format only, and given to the freelance outdoor instructor on the day of the course / walk and collected back by the Data Controller at the end of the course /walk.

In the event that we do share personal information with external third parties, we will only share such personal information strictly required for the specific purposes and take reasonable steps to ensure that recipients shall only process the disclosed personal information in accordance with those purposes. We only share personal information with Third Parties where it is legally required or is essential for us to fulfil our contract with you.

How we protect your personal information

When you use our websites (teamwalking.co.uk or walkingweekenders.co.uk) you do so through secure servers (SSL). The use of Secure Socket Layer (SSL) means that all personal information is transmitted securely over the internet. Your personal information is then stored on the OpenCart eCommerce system (password protected), Mark Reid's computer (password protected) and also printed forms in course/walk folders. This information can only be accessed by Mark Reid and/or Bernadette Reid for the purposes set out above. We do NOT have access to your credit card details.

How long we keep your personal information

We will keep your personal information for 7 years (financial information and the contract between us) to comply with our legal requirements for insurance and tax (HMRC) purposes. After 7 years, this personal information will either be deleted (digital) or shredded (paper).

Your rights

You can exercise any of the following rights by writing to us at info@teamwalking.co.uk

Your rights in relation to your personal information are:

- you have a right to request access to the personal information that we hold about you by making a "subject access request";
- if you believe that any of your personal information is inaccurate or incomplete, you have a right to request that we correct or complete your personal information;
- you have a right to request that we restrict the processing of your personal information for specific purposes; and
- if you wish us to delete your personal information, you may request that we do so.

Any requests received by TeamWalking will be considered under applicable data protection legislation and we will need to check your identity before taking any action. It may not be possible to delete all of your personal information before 7 years have elapsed from the time you made the booking for a course/walk or attended the course/walk, as we are legally required to keep good financial records for HMRC. We will reply within 30 days.

TeamWalking: 12 Wheatlands Grove, Harrogate, HG2 8JH

ICO Registration: ZB187826

Updated: 03/09/20, 26/03/21 & 26/10/22

APPENDIX F - Walk/Course Overviews

The Confirmation Email, Consent Form (including Terms & Conditions) and Walk/Course Overview constitute the Contract between TeamWalking and the participant. All Walk/Course Overviews can be found on our website on the relevant webpage.

APPENDIX G: ENVIRONMENTAL POLICY

We are passionate about using the countryside, hills and mountains in a sustainable way.

Our ethos is to...

- * Always give something back to the local area
- * Stay, eat and drink locally
- * Work closely with local businesses
- * Promote public transport
- * Tread carefully and lightly
- * Inform, educate and inspire
- * Reduce our carbon footprint as much as possible

Sustainable Travel

- * Plan our courses and walks so that we reduce down travel time as much as possible throughout the year; plan walks in similar locations on consecutive days to reduce travel
- * Use locations with good public transport links as much as possible
- * Promote public transport in all correspondence
- * Promote car sharing for groups and corporate bookings
- * Offer a pick up and drop off service to the nearest railway station
- * Choose locations that do not require the use of a car once the group has arrived.

Spend locally

- * Plan our courses and walks so that we always use villages with a good variety of accommodation and public transport links
- * Use local pubs and cafes to base our walks from
- * Promote accommodation options for all of our courses, to encourage people to stay overnight

'Payback' schemes

- * Plant one deciduous tree in the Yorkshire Dales for every corporate booking
- * Work with the National Trust in the Yorkshire Dales, and make a contribution for each course to the NT
- * Donate to the Yorkshire Three Peaks project
- * Encourage Green Transport to courses and walks by promoting car sharing and public transport.

Tread lightly

- * Tread lightly and carefully as the moors and mountains are fragile landscapes that support rare wildlife.
- * Keep to paths to avoid expanding erosion to the side of the paths
- * Pick up ALL litter that we see. Carry EVERYTHING out with us that we brought in
- * Carry out all biodegradable waste, including apple cores and banana skins
- * Take people to quieter areas and onto Access Land to reduce our impact on busier routes.
- * Use a variety of venues and locations to avoid over use
- * Educate, discuss and inform people about our environmental impact, natural environment and rare habitats.
- * Educate, discuss and inform people about how we can all reduce our impact on the environment.
- * Keep group sizes within reasonable ratios to reduce our impact with regards to noise, erosion and detrimental effects to the environment.

Kit, Clothing and Equipment

- * Maintain and repair our outdoor clothing and kit to make it last longer
- * Recycle as much as possible
- * Educate our clients about using re-usable plastic water bottles, rather than single-use water bottles

Leave nothing but footprints, take nothing but memories, kill nothing but time

APPENDIX H: INJURY TO MOUNTAIN LEADER

Carried in Mountain Leader's rucksack

In the event of illness, accident or injury to the Mountain Leader

Assess for **DANGER** - is the area safe before you approach? Is the casualty **RESPONSIVE** - alert, talking, conscious? If not: **AIRWAY**, **BREATHING** (see below). **SHOUT** for help, to attract the attention of other people nearby.

Open the Mountain Leader's **RUCKSACK**. There you will find:

- First Aid Kit
- Group Shelter (2-person and 10-person)
- Spare clothing
- Food & drink
- Map & Compass

In the case of illness:

ASK the Mountain Leader if this has happened before. Is there any medication he/she needs?

Administer medication. If the casualty does not improve, see below

In the case of serious illness or accident:

- **AIRWAY** - if unconscious and breathing, tilt head backwards, check for obstructions and ensure their airway is clear. If you have to leave the casualty, gently move them onto their side; ensure head tilted backwards to keep airway open.
- **BREATHING** - if they have stopped breathing or heart has stopped, move them onto their back and start Chest Compressions (CPR). Place the heel of your hand on the breastbone at the centre of the person's chest. Place your other hand on top of your first hand and interlock fingers. Position yourself with your shoulders above your hands. Using your body weight, press straight down by 5–6cm on their chest at 100 chest compressions a minute (roughly to the rhythm of 'Stayin' Alive'). Continue this until help arrives. If you have been trained in CPR, then also administer Rescue Breaths. After every 30 chest compressions, give two breaths. Tilt the casualty's head gently and lift the chin up with two fingers. Pinch the person's nose. Seal your mouth over their mouth and blow steadily and firmly into their mouth. Check that their chest rises. Give two rescue breaths. Continue with cycles of 30 chest compressions and two rescue breaths until help arrives.
- **CIRCULATION**: check for bleeding & blood loss. Apply pressure on the wound to stop bleeding, and elevate the limb or part of the body (if possible). Apply pressure until bleeding stops.
- **DETAIL**: check for other injuries or pre-existing medical conditions. Monitor the casualty to make sure they are stable (pulse, alertness, colour etc).
- **ENVIRONMENT** - ensure the casualty stays warm. Use spare clothing, insulate from the ground, wrap them in the 2-person shelter & put the Group Shelter over the casualty and group members.
- **GROUP SAFETY** - stay together; stay calm; stay warm. Ensure group members put extra clothing on straight away; eat food and drink to provide energy. Get in the Group Shelter (if possible) to keep warm. Stay together with the casualty; do not split the group. If you need to get help, send two people off with everyone's mobile phones; you are more likely to get mobile reception from the top of a nearby hill than down in the valley. Ensure the rest of the group stays together with the casualty.
- **CALL FOR HELP**: call 999 and ask for POLICE and then MOUNTAIN RESCUE. Give as much detail as possible about your location, accident and casualty. Give a Grid Reference (*it tells you in the 'key' on the OS map how to take a Grid Reference*) or press **OS Locate** on your 'phone.

TO CALL MOUNTAIN RESCUE

Phone 999 and ask for the Police. Ask the Police controller for Mountain Rescue.

Give as much detail as possible about the casualty, accident and your location.

APPENDIX I: DISCIPLINARY PROCEDURES

6th May 2015

DISCIPLINARY AND GRIEVANCE PROCEDURES

NB: All outdoor instructors are self employed.

TeamWalking's operating procedures clearly sets out acceptable behaviour and language when dealing with our clients. It also sets out how we wish them to act in a professional manner in accordance with their NGB awards.

All outdoor instructors are role models, and are there to ensure an enjoyable experience in the outdoors.

GRIEVANCES

If a freelance outdoor instructor has any concerns, problems or complaints they should feel able to raise these in a supportive environment with Mark Reid.

Mark Reid will listen to their grievances

Mark Reid will, if necessary, investigate their grievance and discuss his findings with them

An action plan to remedy to grievance will be discussed.

The freelance outdoor instructor can be accompanied by another person of their choosing throughout this process

DISCIPLINARY

As the freelance outdoor instructors are self employed then it is not possible for TeamWalking to discipline them. However, if a situation arises where the freelance outdoor instructor has breached our operating procedures then Mark Reid will:

Investigate the circumstances of the breach

Discuss this fully with the freelance outdoor instructor

Discuss any learning points or 'near miss' action points

Then, Mark Reid will either establish an action plan for the future to avoid further breaches and confirm this with the freelance outdoor instructor OR decide not engage their services again as a self employed freelance outdoor instructor.

Mark Reid

APPENDIX J: ROUTE PLAN

NB: A 'Route Plan' may vary from a discussion between Walk Leaders to an 'overview map' to a more formal written Route Plan. Route Plans must be viewed **ONLY** as guide, and the actual walk must be flexible and dynamic to take into account the group's needs, weather conditions, terrain, ability, fitness etc.

Route Planning should be flexible and adaptive to allow dynamic route choice during the walk, with plenty of options and escape routes. Route Planning should be seen as an 'overview of possibilities' for your day outdoors, rather than a rigid route that must be stuck too.

[illegible]

APPENDIX L: MOUNTAIN LEADER CONTACTS

Carried in Mountain Leader's rucksack

Mountain Leaders

CONTACTS

MOBILE PHONES

Mark Reid	07711 264019
Graeme Tiffany	07949 595219
Richard Tarran	07866 410616
Paul Stepto	07595 935466
John Rocks	07944 551630
John Proctor	07886 615581
Martin Rivett	07981 757218
Emma Holland	07813 804566

This list will be updated and current for each walk

WALKIE TALKIES

Use Channel 8 - *this channel is pre-set and locked.*

MEDICAL EMERGENCY

Non remote location by a public road - call 999 and ask for an ambulance.

Remote location - Contact the Mountain Rescue team by calling the Police (999).

Ask for _____ **Police.**

The Mountain Rescue team that covers this area is _____,
based at _____ (village) in _____ (county).

APPENDIX M: STEEP GROUND FLOW CHART

Grade 1 scrambles, scree slopes, steep ground, loose rock etc

This flow chart complements the Generic Risk Assessment

PRE-WALK - Consent Forms, Walk Overview, Confirmation Email

Once Consent Forms received, follow up medical conditions or areas of concern (fitness, experience etc).
Ensure everyone is fully aware that the walk may include steep and/or grade 1 ground.
Weather forecast (mountain winds not to exceed 30mph)

MORNING OF WALK/CAR PARK - Specific Risks / Assessments / Kit

Weather forecast (mountain winds not to exceed 30mph)
Plan in escape routes and options to avoid Steep and/or Grade 1 ground if necessary
Ensure everyone has necessary kit (good boots, waterproofs, spare clothing, food, water etc); tape up finger rings; give out helmets. Guide to carry confidence rope and helmet. Ensure boots are tied correctly, and no loops on trousers / gaiters that may catch. Trekking poles to be stowed away on steep ground.
Discuss with everyone their experience of steep ground and Grade 1 scrambles.

WALK IN - what are the risks / training / use of kit

Discuss feelings of uncertainty, nerves - normal to feel like this, but kit and training and focus will help.
Training on the walk-in in a structured and progressive way on easy and safe ground. Demonstration first, then each person to practice.
Breathing, foot placement, body posture.
Agility - Balance - Co-ordination (ABC): warm up on some easy/safe rocks, with regards to balance, movement skills, centre of gravity, boot traction, use of legs/fooholds, hands for balance. Positioning/safety - discuss consequences of a slip (would it lead to a fall?). Protect against slips and falls.
Ensure do not dislodge any loose rocks.
Ensure everyone follows the precise route of the Mountain Leader.
Less confident people immediately behind the Mountain Leader.
Spotting training. Looking after each other. Working as a team. Ensure safe positions. Ascent and Descent.

STEEP GROUND - focus, concentration, personal commitment

Helmets on. Kit, boots and clothing secured.

Focus on you and others in the group
Focus on feet, hands, balance, positioning and route choice (consequence)
Stand tall on the ridge - accept where we are and become calm in the environment
Agility - Balance - Co-ordination (ABC)
Concentration until helmets come off.
Work as a team - movement skills, positioning, loose rocks, spotting.

2nd February 2023
